1 Certification Conditions

1.1 Introduction

The Client shall comply with the following conditions governing the use of the Certificate of Quality Approval and mark/symbol of the Certification Body.

1.2 Use of Certificate of Quality Approval

- (a) The certificate shall remain the property of the Certification Body.
- (b) Certificates are valid for three years from the date of the certificate issue, subject to satisfactory annual surveillance assessments.
- (c) Certificates are not transferable.
- (d) The certificate shall only be displayed at the location applicable to the certificated scope of supply.
- (e) The certificate shall not be used to imply certification of any location other than that detailed on the certificate.
- (f) The certificate shall not be used in any way to imply product Approval.
- (g) The certificated Client must advise the Certification Body of any Changes which may affect the scope of supply including:
 1. Legal, commercial, organizational status or ownership\
 2. Organisation and Management (E.g. Key managerial, decision making or technical staff)\
 3. Contact address and sites
 4. Scope of operation
- (h) If the Client changes operating site then the certification body shall conduct a surveillance visit to check the Quality Management System is operating to the requirements of ISO 9001 .
- (i) The Certification body makes reference of the client certification in communication media such as website, or other Documents
- (j) The Client is not allowed for any misleading statement regarding its certification
- (k) The Client shall not use the certificate in any misleading manner
- (l) The Client should amend his advertising matter when the scope of certification is reduced
- (m) The client shall not imply the certification to any other activities that is outside the scope of certification
- (n) The Client shall not use its certification in a manner such that it would bring the certification body and the certification system into disrepute and lose public interest

1.3 Use of AIS / NACI Mark

(a) The marks above shall always be used on certificates issued in conjunction with the Client's name and have the certificate number adjacent to it.

(b) The mark may be reproduced in any size provided the configuration is strictly adhered to, including the surrounding frame.

(c) The mark may be used on stationery, such as headed letter paper and advertising brochures, and only in connection with the International Quality System Standard scope of supply listed on the certificate.

(d) The mark shall not be used on flags, buildings, vehicles, packaging, directly on products, nor on promotional products such as calendars, diaries, coasters, etc.

(e) The mark shall not be used in any way to imply product approval, nor on documentation such as test certificates and certificates of conformity.

(f) The certificated Client shall, upon reasonable notice, discontinue any use of the mark which is considered to be unacceptable to the Certification Body.

(g) Upon termination of the certification, for whatever reason, the Client shall discontinue all use of the mark immediately.

(h) NACI mark - a single color in either red, brown, black, dark blue or gold or the predominant color of a letterhead with a minimum height of 20mm. The logo may appear smaller than 20mm in exceptional circumstances only, (e.g., Business cards), providing it is legible with no infilling.

1.4 Use of the AIS Symbol

(a) The symbol shall never be used in conjunction with the NACI logo

(b) The symbol shall always be used in conjunction with the Client's name.

(c) The symbol may be used on stationery, such as headed letter paper, advertising brochures, test certificates and certificates of conformity and only in connection with the International Quality System Standard and scope of supply listed on the Certificate.

(e) The symbol shall not be used in any way to imply product approval.

(f) The certified Client shall, upon reasonable notice, discontinue any use of the symbol which is considered to be unacceptable to the Certification Body.

(g) Upon termination of the certification, for whatever reason, the Client shall discontinue all use of the symbol immediately.

1.5 Failure to Comply with the Certification Conditions

Suspension and withdrawal of certificate approval

If the Client/certificate holder fails to maintain compliance with the requirements of ISO9001 those requirements detailed in this Certification Conditions Document form AIS-FRM-57 and those commercial and operating requirements of the certification body then;

- the client/certificate holder is formally informed in writing/fax/phone/email about the failure of compliance to the above conditions and asked to detail corrective action.
- If the client refuses to respond to correct the failure of non-compliance to the above conditions then the Scheme manager shall contact the client and inform the client that the certificate may be suspended initially for 6 months and after 6 months the client is informed that the certificate is cancelled and would the client return the certificates and cease to use and distribute any literature, stationary, etc., referencing the certificate of Certification Body mark/symbol.
